## **PUBLIC NOTICE FOR THE EXPRESSION OF INTEREST IN THE PURCHASE OF THE PROPERTIES IN THE MUNICIPALITY OF OYACE SOLD AT A SYMBOLIC PRICE WITHIN THE FRAMEWORK OF THE "HOUSES FOR ONE EURO" PROJECT.**

We hereby inform you that the Municipal Administration has acquired the willingness of some owners of old buildings located in the Municipality to sell them for subsequent possible recovery and use by Agencies and/or Companies, as well as private individuals, willing to invest in an overall project of recovery and redevelopment.

All the information on the properties is available in the "Showcase of houses for one euro" on the website of the Municipality of Oyace.

Those wishing to participate in the project may submit an application to the Municipal Technical Office, using the form included as "ANNEX B", declaring their willingness to purchase the property.

The Municipality will prepare and approve the deeds of assignment of the properties available on the basis of the applications received from the buyers, following the publication of the Notice on the on-line Municipal Notice Board and will approve any rankings for the assignment of the properties, should the need arise on the basis of the provisions of these regulations, and particularly when more than one buyer is interested in the same property.

The deadlines for submitting applications are indicated in the "Showcase of houses for one euro". On the basis of the applications received, the Technical Office will communicate the timeframe for drawing up the assignment ranking, updating the "Showcase of houses for one euro". If no bids are presented, the terms of presentation will be reopened.
